How to place a GIL Express or Intercampus Loan Request:

1. Find the book you want in the online catalog and click the title.
2. On the next page, click the “place request” link.
3. Log in to your GIL Account.

*If you do not know your PIN, enter just your barcode and last name, then click Get My PIN to have it emailed to you.*
4. Confirm the pickup location and submit your request.

5. Verify that the request went through.

6. In 4 days or so, the book will make its way to the library, and we’ll email you when it arrives. Then, come by to pick it up! 😊

7. Return it to any University System of Georgia library when you’re done.
