Are You Hearing Bells?

A computerized, compact-disc carillon has been purchased by the college and placed in the tower. The carillon is currently programmed to play songs for ten minutes before each hour (8 a.m.-8 p.m.) and to chime the hour. The machine has a computer of more than 50 songs.

President Lynn Cundiff encouraged the purchase of the carillon to enhance the college atmosphere on campus and to make use of the tower. The carillon was purchased with Student Activities funds which were left over from previous years.

The carillon, along with the newly landscaped courtyard around the tower will be dedicated during Tower Hour, Friday, May 7, as part of President Cundiff's inauguration activities. 🛎

Nursing Program Added in Cartersville

Beginning with the fall quarter, nursing will be added to the curriculum in Cartersville, according to **Belen Nora**, *chairman, Division of Nursing*. The plans are currently pending approval by the Board of Regents.

The program will exactly match the nursing program here on campus and admission requirements will be the same. Twenty slots for first year nursing students will be available this fall, with priority going to Floyd College students who live in the

Cartersville area.

The second year nursing program will be added at the Cartersville campus in the fall of 1994.

The new program is being sponsored in part by Cartersville Medical Center and the curriculum labs will be conducted there.

A new faculty member will be added to the Division of Nursing to cover the Cartersville classes.

Becky Hicks, secretary, Division of Business, is the team captain for the faculty and staff this year.

Ms. Hicks is soliciting faculty and staff members to walk in the event. Walkers are asked to get pledges from family members and friends to support them on the 6.2 mile walk. If you can't make the entire distance, any distance will do.

There will be refreshments along the walking route and lunch will be served after the walk. Persons collecting \$10 or more will receive a frisbee and those collecting \$60 or more will receive a tee shirt. Last year Floyd College won several awards for having the most participation and having the largest increase in collection.

The March of Dimes is an organization that has been around a long time helping children born with birth defects. It is a very worthy cause. Please call Ms. Hicks at ext. 6327 and ask for a pledge form. **VOLUNTEERS ARE NEEDED!**

If you can't walk in the WalkAmerica, please make a donation.
