Parent/Child Fishing Tournament Scheduled

As part of the continuing 25th anniversary celebration, Floyd College will host a Parent/Child Fishing Tournament, Saturday, April 1, 9 a.m.-noon. The tournament is open to children ages 3-12 who are accompanied by an adult. Preregistration is recommended and is limited to the first 200 children. Participants may register by calling the Continuing Education Office at 295-6324.

Every child should bring his or her own equipment and bait to the tournament. Refreshments will be served and there will be booths with fishing information and games will be played. Prizes and trophies will be awarded in each age group.

The Floyd College lake, generally opened to the public for fishing, has been closed this winter so that it can be cleaned and restocked before the April 1 tournament.

This is the latest in a series of events scheduled to celebrate the 25th Anniversary of Floyd College. Other activities have included the picnic and fireworks display and the Kudzu Country Classic 5k race last fall, and the Founder's Day celebration and cake-cutting in January. An open house scheduled at Heritage Hall for March 24 has been canceled because the building renovation is not complete. The college will, however, sponsor a Chamber of Commerce Business After Hours reception at Heritage Hall on Thursday, April 27.

"In celebrating the 25th anniversary of Floyd College, the committee planned events which would bring a large number of people to the campus," said Sandy Briscar, public information officer and chairman of the 25th anniversary committee. "It is hoped that exposure to the college would increase support by members of the community who were previously unfamiliar with all we have to offer."

Foundation Names Board Members

The Annual Meeting of the Floyd College Foundation was held February 27 and included the election of new board members and special recognition awards.

New board members include Dr. Buford Harbin, Bob McGeehee, Barbara Myers, Gary Redding, Layton Roberts, Beth Rogers, Harold Storey, Sr., Frank Stuckey, Jr., and Doris Todd.

Those honored by the Foundation included Floyd Medical Center as Business Support of the Year, Georgia Power for outstanding Service to the Community, Ann Green as Outstanding Trustee of the Year, State Mutual Insurance Company and Citizens First Bank for Outstanding Support of the Floyd College Foundation Endowments, Don Keiser for on-going efforts on behalf of the Floyd College Foundation with the banking community, and Rome Coca-Cola for outstanding contribution to Floyd College's 25th Anniversary Celebration.

Folks

Dwight Cassity, professor of political science, has been elected vice-chairman (chairman-elect) of the Regents’ Advisory Committee for Political Science. He was also recently elected to a two-year term on the executive committee of the Georgia Political Science Association.

Keep Virgil Miller, custodial supervisor, and his wife Lily in your thoughts and prayers upon the death of Lily’s mother Henerietta Reynolds.

Patricia Guest, accounting clerk in the Business and Finance Office has moved from the position of accounts receivable to accounts payable. Olivia Chandler has been promoted from cashier to accounts receivable. The office is currently seeking a new cashier.

Ruthie Lawler, publications specialist, has been appointed to the Rome-Floyd Human Relations Commission, a new board set up to deal with possible conflicts in the community. The group will deal with fair housing, fair access for the physically impaired and other human rights issues.

H. Lynn Cundiff, president, has been named chairman of the 1995 campaign for the United Way of Rome and Floyd County.

Announcements

An end-of-the quarter luncheon will be held Wednesday, March 22, staff and any faculty who are on campus. Details will be forwarded by the President’s Office.

Blizzard of Bucks will be held for students March 30, 11 a.m.-noon in the Solarium. The activity involves groups of students competing in games from which the ultimate winner is selected to go into a telephone-like booth to grab up to $500 in bills which are swirling through the booth. The Office of Student Activities is sponsoring the event.

Public Service and Small Business Development Center courses scheduled for the coming weeks include:
- Team Building
- Positive Self-Esteem and Empowerment: Two Cornerstones for Success
- The Power of Assertiveness
- How to Start Your Own Business
- Time Management for the Small Business Owner
- Personal Investment

For information on these and other courses call 706/295-6324.

Foundation cont. from pg. 1

Mary Louise Lever will again serve as chairman of the Foundation. Vice-chairman will be Robbie Lindsey, secretary-treasurer will be Ann Green. Members-at-large are Jo Heyman, Mary Sib Banks, Scott Bentley, and J.D. Maddox.

One of the new initiatives the board has approved is giving Foundation Scholarships to non-traditional (older) students in addition to the Foundation Scholarships which are given annually to high school graduates.
